# Ferguson Township Supervisors Meeting Tonight - Protective Measures for the Future

**Nittany Valley Environmental Coalition**  
State College, PA

Jun 5, 2017 — By KW

Occupation is ongoing and we're working on a SignUpGenius page to coordinate people for two-hour shifts at the site. Stay tuned for details.

Also, there's another opportunity tonight to support PROACTIVE, PROTECTIVE MEASURES via the "Official Map" zoning ordinance in Ferguson Township - details below.

The more people who attend and speak, or even just sit in the room and support the speakers and the supervisors, the more likely it is that a majority of the supervisors will vote to protect the Slab Cabin Run watershed parcels through the official map zoning tool.

Via Save State College's Water Supply FB:

**TONIGHT!**

Two chances to have your voice heard regarding our water at the Ferguson Township Board of Supervisors meeting, which starts at 7 p.m. at 3147 Research Drive.

1. At public comment time at the beginning of the meeting you can talk about the Toll Brothers/Penn State housing development project.
2. Later in the meeting, the Supervisors will discuss designating the lower parcel (between Tolls, Musser Gap, and the Clearwater Easement land) for passive parkland or resource preservation!
