Also, State College Borough Manager Tom Fontaine recently confirmed by email that there will be a joint

meeting of State College Borough Council and Ferguson Township Board of Supervisors on September 21, at 4:30 p.m., location either Schlow Library or COG building, and agenda to be announced.

The topic of the meeting, according to Fountaine, will likely be built "mostly around the West College Avenue Corridor," but both communities are, more generally, confronting issues around land use and population growth.
